Across

- 4.** Make these (and your timeline) crystal clear
- 6.** Know your district climate so these don't become your enemy
- 12.** If you ask teachers to build a module their first day, they'll experience this
- 13.** Make it the norm that teachers share this at each gathering
- 14.** LDC has shown the greatest gains with these students in JCPS
- 15.** It's essential for teachers to get this from coaches/district staff
- 16.** Don't go here until you have buy-in

Down

- 1.** We've learned to use this kind of a training model
- 2.** Be intentional when forming these
- 3.** You must dedicate time for this in your trainings
- 5.** Teachers crave this
- 7.** We recommend using these in initial training sessions
- 8.** Place value on this, not products
- 9.** Multiple _____ just cause confusion
- 10.** Group teachers according to this as often as possible
- 11.** Don't get hung up on the number of these your teachers create
